BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF BUTLER COUNTY WATER)	
SYSTEM, INC. GRAYSON COUNTY WATER SYSTEM,)	
SIMPSON COUNTY WATER DISTRICT, AND WARREN)	CASE NO. 89-110
COUNTY WATER DISTRICT FOR A DEVIATION)	
FROM 807 KAR 5:066, SECTION 17(1),)	
REGARDING METER TESTING)	

O R D E R

On June 6, 1989, Butler County Water System, Inc., Grayson County Water District, Simpson County Water District, and Warren County Water District ("Water Systems") filed a Petition for Rehearing of the Commission's Order entered in this matter on May 17, 1989. The Water Systems had requested a deviation from 807 KAR 5:066, Section 17(1). In support of the petition, the Water Systems stated that rehearing would enable them to offer additional evidence that could not with reasonable diligence have been offered with the original application.

The Commission, having reviewed the Petition for Rehearing, the evidence of record, and being otherwise sufficiently advised, is of the opinion and finds that the petition filed by the Water Systems sets forth sufficient grounds to justify rehearing and, accordingly, the request should be granted.

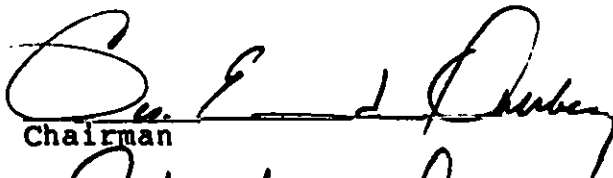

IT IS THEREFORE ORDERED that:

1. The Water Systems' Petition for Rehearing is granted.

2. Within 30 days of the date of this Order, the Water Systems shall file the original and six copies of all additional information and evidence in support of the requested deviation that was not offered in the original application.

Done at Frankfort, Kentucky, this 26th day of June, 1989.
